STAFF REPORT

SUBJECT: Rescind the Award to Purchase a Patrol SUV from Bruner Motors and Award to Donohoo Chevrolet

MEETING: Council Committee Meeting July 15, 2025

DEPARTMENT: Purchasing

STAFF CONTACT: Rebecca Crosson

RECOMMENDATION:

It is the recommendation of the Purchasing Department and Police Department to rescind the award to Bruner Motors for a Patrol SUV (ITB 3339) and award to Donohoo Chevrolet.

BACKGROUND:

Bids were solicited and opened on February 21, 2025, for the purchase of (1) patrol SUV. Three responses were received. The lowest bid was submitted by Donohoo Chevrolet for \$52,100; however, under Section 271.905 of the Local Government Code concerning Local Vendor Preference, Bruner Motors was awarded the contract for \$53,795. The bid submitted by Bruner Motors in February indicated a delivery time of 24 weeks; however, Bruner Motors has since confirmed that they are unable to meet the originally specified delivery time. Additional discussions have raised concerns regarding the feasibility of delivering the item within the next year or within any expected timeframe.

Donohoo Chevrolet has confirmed the same 2025 Chevy Tahoe PPD can be provided, honoring the same price they submitted for ITB 3339. The unit will be delivered within 10 days after receipt of a purchase order.

FISCAL IMPACT SUMMARY:

Donohoo Chevrolet submitted a bid of \$52,100 for a 2025 Chevy Tahoe. The item and price will be honored. The approved budget for 2024-2025 included \$55,000 for a Patrol SUV.

Eligible Bidder: Bidders are limited to those persons or firms qualified and engaged in a full time business and can assume liabilities for any performance or warranty service required.

Nonresident-Reciprocal Bid Act: You are advised the City of Stephenville, Texas is bound by House Bill 620. The law provides that in order to be awarded a contract as low bidder, non-resident bidders (out-of-state contractors whose corporate office or principal place of business is outside the State of Texas) bid projects in Texas at an amount lower than the lowest Texas resident bidder by the same amount that a Texas resident bidder would be required to underbid a non-resident bidder in order to obtain a comparable contract in the state in which the non-resident's principal place of business is located. After making that determination you are instructed to advise the Purchasing Department in writing of that fact with a copy of the applicable state statute.

Based on local government code 252.043, the contract will be awarded to the lowest responsible bidder **OR** to the bidder who provides goods or services at the best value for the municipality. Therefore price is not the only consideration in the bid award.

For purposes of this Agreement, the term "boycott" shall mean and include terminating business activities or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with Israel, or with a person or entity doing business in Israel or in an Israeli controlled territory.

Please be advised that Stephenville does not receive courier services before 10:30 a.m.

Bids that contain any omission, erasures, or alterations, or additions of items not called for in the bid documents, or irregularities of any kind, may or may not be considered.

Deviations from specifications and alternate bids must be clearly shown on the bid form with complete information attached to form. They may or may not be considered.

Upon bidders submitting bids they shall not withdraw or cancel such bids and all sums deposited with such bids will be held by the City of Stephenville until all bids submitted shall have been canvassed and award of contract made, signed and if a performance bonds is required furnished and approved. All sums deposited with bids will then be returned to the respective bidders.

The City of Stephenville, Texas is exempt from State of Texas Sales Tax and a Tax Exemption Certificate shall be furnished by the City of Stephenville, Texas to the successful bidder upon request.

Discounts: Show rate, total amount, and latest day any discount will be allowed after receipt of article and correct invoice.

This contract is subject to cancellation upon thirty day written notice by the City of Stephenville without cause.

Liquidated Damages: In the event delivery is not made within the stated time period, (without acceptable reasons for delay and written consent from the City) the City reserves the right to place the order with the next available vendor and the awardee shall be liable for any increase in price as liquidated damages, it being agreed that said sum is a fair and reasonable estimate of actual damages the City will incur. Bidder will not

be held liable for failure to make delivery because of strikes; conscription's of property, governmental regulations, acts of God, or any other causes beyond his control; provided an extension of time is obtained from the Division of Purchasing.

Exceptions: Any catalog or manufacturer's reference in this proposal is descriptive, but not restrictive, and is used only to indicate type and grade. Bids on other items of similar and equal quality will be considered, provided the bidder states on the face of this proposal exactly what he intends to furnish, including any variation to the specifications and literature, otherwise he shall be required to furnish the items as specified on the proposal. Any other exceptions to any portions of these terms and conditions or deviations from written specifications shall be shown in writing on the bid document form or attached to bid form.

It is specifically understood and agreed that these quantities are approximate and any additional quantities will be paid for at the quoted price. It is further understood that the supplier shall not have any claim against the City of Stephenville for quantities less than the estimated amount.
